Programme Evaluation Report for the 2025/26 school year

Joint-school Senior Secondary P.E. Programme	• To allow talented and interested students to continue their study of senior curriculum of P.E. • To prepare students to participate in DSE P.E.	• 8 S4–S5 students • Students promoting to F.4 apply for the program, screened and nominated by PE department with specific criteria	1/9/2025-31/8/2026	• 20 exercises and worksheet • 9 quizzes • 2 form tests • 2 examinations	• The attendance of the three students was high (80-100%) • All students could complete all the assignments given by the tutor • 4 students could achieve 70-80/100, 3 students 60-70/100 and 1 student 50/100 in the relevant tests.	Course fee: $58,000
Joint-school Senior Secondary Music Programme	• To allow talented and interested students to continue their study of senior curriculum of music • To prepare students to participate in DSE Music	• 3 S4–S6 students • Students promoting to F.4 apply for the program, screened and nominated by music department with specific criteria	34 lessons, 3 hours each lesson	• 20 exercises and worksheet, • 8 quizzes, • 2 form tests, • 2 examinations • Composition portfoilo	• The attendance of students is satisfactory. • F.6 students completed the requirement of the DSE through the course (recording for the compulsory performance paper and submitting portfolio for the composition paper). • The DSE result of 2025-2026 graduates are as follows: one student attained level 4, one student attained level 5*. The result is encouraging. The close monitor of progress of composition portfolio and supplementary lessons proved efficient and useful for the students. These measures would continue to be carried out to support f.5-6 students. • F.4 student attained good attendance. The student would take grade 8 instrumental examinations during summer. • Teachers joining the network programme communicated effectively. The performance of tutors are evaluated throughout the year. The teachers and tutors of the programme held meetings regularly and discuss ways to improve the programme.	Course fee: $63,000

Budget: $120,248.40
Expenditure: $121,000.00
Deficit: ($751.60)
